Upon motion of Mr. Luther "Buster" Hardee, duly seconded by Mr. T. J. Prejean, Jr., and unanimously carried, the Police Jury allowed Ms. Liz Duhon and Mr. Melvin Clark with Entergy to answer questions regarding their maintenance operation and the Hurricane Lili repairs.

They provided a damage survey and pictures of areas damaged during the storm in which old and new (wooden and concrete) poles were affected. They gave a report on how repairs and restoring power were done. Nearly 39,000 customers were out of power. 5,000 people from outside the state were helping to restore power. 75% of customers back on line in a short time. Entergy is self-insured – no insurance available. Copies of their maintenance procedures were provided to the Jury.

Police Juror Luther "Buster" Hardee commented that during spring storms numerous poles over the last several years have broken one at a time. Appears that entire line should be changed over at one time. He was advised that his area was served by the Jennings District Office and that they will request the review of the system in his area.
