This Governing Authority does hereby irrevocably and irrevocably dedicate, appropriate and pledge the annual tax income to be derived from the assessment, levy and collection of the Tax (together with such State revenue sharing funds, if any, as may be necessary to pay the Certificates), to pay the annual debt service on the Certificates. The depository for the Sinking Fund shall transfer from the Sinking Fund to the Paying Agent at least one (1) day in advance of each Interest Payment Date, funds fully sufficient to pay promptly the principal and interest, if any, falling due on such date.

It shall be specifically understood and agreed, however, and this provision shall be a part of this contract, that after the funds have actually been set aside from the Tax sufficient to pay the principal of and interest on the Certificates for that Fiscal Year, then any Tax proceeds remaining in that Fiscal Year shall be free for expenditure by the Parish Library Board of Control (the "Library Board") for any purposes for which the Tax was voted.

All moneys deposited with the regularly designated fiscal agent bank of the Issuer or the Paying Agent or any other bank under the terms of this Resolution shall constitute sacred funds for the benefit of the Owners of the Certificates, and shall be secured by said fiduciaries at all times to the full extent thereof in the manner required by law for the securing of deposits of public funds.

All or any part of the moneys in the Sinking Fund shall, at the written request of the Issuer, be invested in accordance with the provisions of the laws of the State of Louisiana, in which event all income derived from such investments shall be added to the General Fund of the Issuer.

SECTION 9. Budget; Audit. As long as the Certificates are outstanding and unpaid in principal or interest, the Issuer and the Library Board shall each prepare and adopt a budget prior to the beginning of each Fiscal Year and shall furnish a copy of such budget within thirty (30) days after its adoption to the Paying Agent and the Purchaser; the Issuer, and the

Library Board shall also furnish a copy of such budget to the Owners of any of the Certificates who request the same. Not later than six (6) months after the close of each Fiscal Year, the Issuer, and the Library Board shall each cause an audit of its books and accounts to be made or financial statements to be prepared, whichever is required by State law, by the Legislative Auditor or an independent firm of certified public accountants showing the receipts and disbursements made by the Issuer and the Library Board during the previous Fiscal Year. Such audits or financial statements shall be available for inspection by the Owner of any of the Certificates, and a copy of such audits or financial statements shall be furnished to the Purchaser.

SECTION 10. Application of Proceeds. The Executive Officers are hereby empowered, authorized and directed to do any and all things necessary and incidental to carry out the provisions of this Resolution; to cause the necessary Certificates to be typed or printed; to issue, execute and seal the Certificates; and to effect delivery thereof as herein provided. The proceeds derived from the sale of the Certificates shall be deposited by the Issuer with a bank duly organized and doing business under the laws of the United States of America or the State of Louisiana to be used only for the purposes for which the Certificates are issued.

SECTION 11. Legal Obligations. The Certificates shall constitute legal, binding and valid obligations of the Issuer and shall be the only representation of the indebtedness as herein authorized and created.

SECTION 12. Contract. The provisions of this Resolution shall constitute a contract between the Issuer, or its successor, and any Owners from time to time of the Certificates, and any Owner may at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel the performance of all duties required to be performed by this Governing Authority or the Issuer as a result of issuing the Certificates.

No material modification or amendment of this Resolution, or of any resolution amendatory hereof or supplemental hereto, may be made without the consent in writing of the Owners of the Certificates.

SECTION 13. Severability; Application of Subsequently Enacted Laws. In case any one or more of the provisions of this Resolution or of the Certificates shall be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this Resolution or of the Certificates, but this Resolution and the Certificates shall be construed and enforced as if such illegal or invalid provisions had not been contained therein. Any constitutional or statutory provisions enacted after the date of this Resolution which validate or make legal any provision of the Resolution and/or the Certificates which would not otherwise be valid or legal, shall be deemed to apply to this Resolution and to the Certificates.

SECTION 14. Recital of Regularity. This Governing Authority having investigated the regularity of the proceedings had in connection with the Certificates and having determined the same to be regular, the Certificates shall contain the following recital, to-wit:

"It is certified that this Certificate is authorized by and is issued in conformity with the requirements of the Constitution and statutes of the State of Louisiana."

SECTION 15. Effect of Registration. The Issuer, the Paying Agent, and any agent of either, may treat the Owner in whose name any Certificate is registered as the Owner thereof for the purpose of receiving payment of the principal of and interest on such Certificate and for all other purposes whatsoever, and to the extent permitted by law, neither the Issuer, the Paying Agent, nor any agent of either shall be affected by notice to the contrary.

SECTION 16. Cancellation of Certificates. All Certificates surrendered for payment, redemption, transfer, exchange or replacement, if surrendered to the Paying Agent, shall be promptly canceled by it and, if surrendered to the Issuer, shall be delivered to the Paying Agent and, if not already canceled, shall be promptly canceled by the Paying Agent. The Issuer may at any time deliver to the Paying Agent for cancellation any Certificates previously registered and delivered which the Issuer may have acquired in any manner whatsoever, and all Certificates so delivered shall be promptly canceled by the Paying Agent. All canceled Certificates held by the Paying Agent shall be disposed of as directed in writing by the Issuer.

SECTION 17. Paying Agents. The Issuer will at all times maintain Paying Agents for the performance of the duties hereunder as Paying Agent and registrar for the Certificates. The designation of the initial Paying Agents in this Resolution is hereby confirmed and approved. The Issuer reserves the right to appoint successor Paying Agents. Every Paying Agent appointed hereunder, except the Paying Agent for Certificates No. R-1A through R-5A, inclusive, shall at all times be a bank or trust company organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers and subject to supervision or examination by Federal or State authority.

SECTION 18. Arbitrage; Bank Qualification. The Issuer covenants and agrees that, to the extent permitted by the laws of the State of Louisiana, it will comply with the requirements of the Internal Revenue Code of 1986 and any amendment thereto (the "Code") in order to establish, maintain and preserve the exclusion from "gross income" of interest on the Certificates under the Code. The Issuer further covenants and agrees that it will not take any action, fail to take any action, or permit any action within its control to be taken, or permit at any time or times any of the proceeds of the Certificates or any other

funds of the Issuer to be used directly or indirectly in any manner, the effect of which would be to cause the Certificates to be "arbitrage bonds" or would result in the inclusion of the interest on the Certificates in gross income under the Code, including, without limitation, (i) the failure to comply with the limitation on investment of Certificate proceeds or (ii) the failure to pay any required rebate of arbitrage earnings to the United States of America or (iii) the use of the proceeds of the Certificates in a manner which would cause the Certificates to be "private activity bonds".

The Certificates are designated as "qualified tax-exempt obligation" within the meaning of Section 265(b)(3) of the Code. In making this designation, the Issuer finds and determines that:

- (a) the Certificates are not "private activity bonds" within the meaning of the Code; and
- (b) the reasonably anticipated amount of qualified tax-exempt obligations which will be issued by the Issuer and all subordinate entities in the calendar year 2006 will not exceed \$10,000,000.

The Executive Officers are hereby empowered, authorized and directed to take any and all action and to execute and deliver any instrument, document or certificate necessary to effectuate the purposes of this Section.

SECTION 19. Application to the Louisiana State Bond Commission. Application is hereby formally made to the Louisiana State Bond Commission, Baton Rouge, Louisiana, for consent and authority to issue, sell and deliver the Certificates. A certified copy of this resolution shall be submitted to the State Bond Commission, together with a request for prompt consideration and approval of this application.

SECTION 20. Employment of Bond Counsel. The law firm of Foley & Judell, L. L. P., Bond Counsel is hereby employed as Bond Counsel to the Issuer to handle all matters of a legal nature in connection with the negotiation, sale, issuance and delivery of the Certificates. The fee of Foley & Judell, L. L. P., in connection with said program of finance is hereby established and fixed at a rate not to exceed the rate for comprehensive legal and coordinate professional work for revenue bonds set by the Attorney General's fee schedule which is in effect at the time of the delivery of the Certificates, plus "out-of-pocket" expenses, including any and all expenses and costs in preparing an Official Statement for the Bonds, if necessary. A certified copy of this Resolution shall be forwarded to the Attorney General of the State of Louisiana for his approval of the employment herein provided for.

SECTION 21. Publication. A copy of this Resolution shall be published immediately after its adoption in one (1) issue of the official journal of the Issuer. If the validity of the

issuance of the Certificates is not raised within thirty (30) days from the date of such publication, the Certificates shall be incontestable in the hands of bona fide purchasers thereof for value and no court shall have authority to inquire into the legality thereof.

SECTION 22. Award of Certificates. The Issuer hereby accepts the offers of the Purchasers to purchase the Certificates attached as Exhibits "A" and "B" hereto. The Certificates shall be delivered to the Purchasers upon payment of the principal amount of the Certificates, and accrued interest, if any, to the date of delivery of the Certificates.

SECTION 23. Declaration of Official Intent Under Reg. 1.150-2. Prior to the delivery of the Certificates (hereinabove approved in an amount not to exceed \$72,000), the Issuer anticipates that the Library Board may pay a portion of the costs of the project not to exceed \$72,000 from its funds. The project includes, specifically, renovating and improving the Erath branch library, and paying the costs of issuance of the Certificates. Upon the issuance of the Certificates, the Issuer reasonably expects to reimburse the Library Board any such expenditures of other available funds from a portion of the proceeds of the Certificates. This Section is intended to be a declaration of official intent within the meaning of Reg. 1.150-2.

SECTION 24. Disclosure Under SEC Rule 15c2-12. The Issuer will not be required to comply with the continuing disclosure requirements described in the Rule 15c2-12(b) of the Securities and Exchange Commission [17 CFR §240.15c2-12(b)], because, among other reasons, the aggregate principal amount of the Certificates is less than \$1,000,000.

SECTION 25. Effective Date. This Resolution shall become effective immediately.

This resolution having been submitted to a vote, the vote thereon was as follows:
